

## MEMBERSHIP BENEFITS

### SEMI SPEEDS THE TIME TO BETTER BUSINESS RESULTS FOR ITS MEMBERS ACROSS THE GLOBAL ELECTRONICS MANUFACTURING SUPPLY CHAIN

SEMI is the global trade association that connects and represents the worldwide electronics manufacturing supply chain. Through its programs, communities, initiatives, market research, and advocacy, SEMI informs and coordinates its members and the industry, cultivates collaboration, drives action, and synchronizes innovation to speed business results.

SEMI opens the door for you to discover new opportunities, connect, and grow your business. As a SEMI member you have exclusive access to SEMI programs, initiatives, member-only content, and staff support that connect you to peers, experts, customers, industry leaders, and market opportunities worldwide.

#### SAVE TIME AND MONEY

SEMI member companies and their employees receive preferred pricing on exhibitor booth fees and services, conference registration, sponsorship, advertising, market data products, business products and services, and industry standards.

#### GROW YOUR BUSINESS AND BUILD YOUR BRAND

SEMI gives you and your company the opportunities to efficiently make connections, create partnerships, advance technology innovation, grow your business, and build your brand.

#### NETWORKING

SEMI creates the platforms and the opportunities for people to meet, for communities

#### GAIN INSIGHTS WITH MEMBER-ONLY CONTENT

SEMI members have complimentary access to online, members-only business and technical content, including market research, webinars, presentations, and white papers, giving you more context and data to make sound business decisions.

#### SHAPE POLICIES THAT AFFECT YOUR BUSINESS

SEMI global advocacy efforts bring together individual companies to deliver a collective voice on issues that affect our industry. SEMI's advocacy staff worldwide represent member interests on complex policy issues and ensure our members amplify their voice in shaping laws and policies around the world.

#### INFLUENCE INDUSTRY AND TECHNOLOGY GROWTH

SEMI members have exclusive access to join technology communities, groups, and committees that support collaboration, advance manufacturing standards, spur technology innovation, and influence industry growth.

#### GLOBAL REACH

With SEMI offices and staff in every major electronics manufacturing region, no other electronics industry association has the global reach and depth to connect companies and people across the supply chain and around the world.

# MEMBERSHIP BENEFITS

## MEMBERSHIP INFORMATION

Membership classification and dues are based on combined annual sales revenues in these and other advanced technology supply chain areas.

### CORPORATE MEMBER

Suppliers of equipment, materials, sub-assemblies, components and industry specific support products, and services to semiconductor, display, MEMS, LED, flexible hybrid electronics and related industries.

### ALLIED MEMBER

Organizations that are not-for-profit research, education, advocacy, or regulatory services, including libraries, consortia, and academic institutions.

### ASSOCIATE MEMBER

Companies that design, manufacture, sell, or distribute semiconductor devices, displays, and related microelectronics are in this category. This includes, but is not limited to, integrated device manufacturers (IDMs), foundries, fabless, fab-lite, and IP design houses.

### AFFILIATE MEMBER

Includes companies that provide products and services to facilitate development of the ecosystem, but are not specific to, or a part of, the manufacturing supply chain. Examples include publishers, freight forwarders, and financial institutions.
